

# MINI COURSES

Elementary Students

# TUTOR CORPS

For your child to get the most out of their time with Tutor Corps, we recommend a minimum of 10 hours per mini course. All courses offer flexible scheduling and are pay-as-you-go.

## Reading & Writing Wonderland

Gr. K-2

Join us in a whimsical world of words and wonder! Our one-on-one reading & writing camp isn't just about letters and sentences; it's a grand adventure through stories and creativity. Picture this: your child snuggled up, listening to captivating tales before diving into hands-on activities that spark their imagination. From crafting their own stories to exploring the magic of language, every session is a journey of discovery.

## Creative Ink Masters

Gr. 3-5

Calling all young writers and wordsmiths! Students step into our one-on-one writing camp and unleash their inner storyteller. Prepare for middle school with confidence as students hone their writing skills, experiment with various writing styles, and dive into the world of literature response. With personalized guidance and inspiring activities, each session is a chance to unlock your creative potential and craft literary masterpieces!

## Math Quest Adventure

Gr. 3-5

Gear up for a mathematical odyssey! Our one-on-one math booster is the ticket to conquering numbers and equations with ease. Whether your child is scaling the heights of multiplication or exploring the depths of fractions, our tutors are here to guide them every step of the way. Join us as we embark on a journey to build strong foundational math skills and banish math woes for good.

# Language Explorers

Gr. 3-5

Embark on a linguistic voyage and discover the world of languages! Our dynamic one-on-one language courses are designed to ignite a passion for communication and culture. From mastering essential phrases to immersing yourself in vibrant traditions, every session is an adventure waiting to unfold. Choose your language of choice – Spanish, French, or American Sign Language – and let the exploration begin!
